### Replacement Caps for the Chrysler/AMC/Jeep Push-Button Deck Lock

STRATTEC recently released case caps to fit the Chrysler/AMC/Jeep push-button deck locks and lock service packages that utilize both the single sided and double sided keys.

The caps are as follows:

Button Cap:

321843 (Chrome)

321898 (Black)

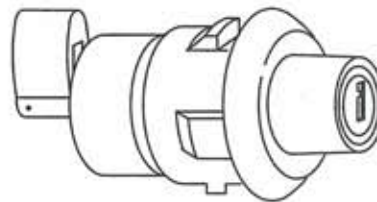

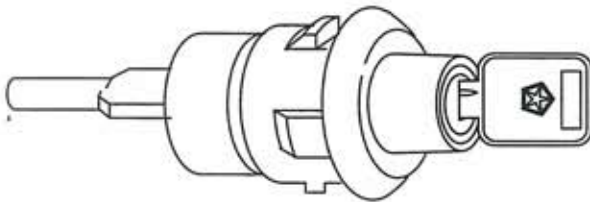

Case Cap:

320820 (Chrome)

321897 (Black)

The case cap on this unit does not have tabs and it is necessary to gently tap the cap edge around the case using a flat punch or similar tool.

A few of the Lock Service Packages that these caps fit include: 608695, 700260, 701715, 702129, 702248, 702799, 701716, 702145.
